WHEREAS, to facilitate the understanding of the public and simplify the administration of the Fire Rescue Assessments, the City adopted Preliminary Resolution No. 2017-084 and Annual Resolution No. 2017-105 to supersede and supplant all prior resolutions, without, however, affecting the validity or effectiveness of any prior resolutions for purposes of the Fire Rescue Assessments adopted and imposed by such prior resolutions; and

WHEREAS, the City has engaged a rate consulting firm to analyze and confirm, or reasonably adjust the City's assessment rates as needed, for Fiscal Year 2018-2019; and

WHEREAS, the City Commission of the City of Dania Beach, Florida, deems it to be in the best interest of the citizens and residents of the City of Dania Beach to adopt this Preliminary Rate Resolution to begin the process of adopting and imposing Fire Rescue Assessments for Fiscal Year 2018 - 2019;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF DANIA BEACH, FLORIDA:

Section 1. Authority. That this Resolution is adopted pursuant to the provisions of the Fire Rescue Assessment Ordinance (Ordinance No. 10-96, subsequently codified as Chapter 23, Article VIII of the City of Dania Beach Code of Ordinances), the Initial Assessment Resolution (Resolution No. 63-96, also referred to as Resolution No. 1996-63), the Final Assessment Resolution (Resolution No. 72-96, also referred to as Resolution No. 1996-72), and all subsequent Fire Assessment Resolutions, Florida Statutes 166.021 and 166.041, and other applicable provisions of law.

Section 2. Purpose, Effect and Definitions. That this Resolution constitutes the Preliminary Rate Resolution as defined in the Ordinance which initiates the annual process for updating the Assessment Roll and directs the reimposition of Fire Rescue Assessments for the Fiscal Year beginning October 1, 2018. This Resolution ratifies, confirms and supplements the Ordinance and Preliminary Resolution No. 2017-084 and Annual Resolution No. 2017-105. All findings of special benefit and fair and reasonable apportionment in the Ordinance and Resolution Nos. 2017-084 and 2017-105 are specifically ratified, confirmed and incorporated into this Resolution by reference.

The Ordinance and Resolution Nos. 2017-084 and 2017-105 shall be referred to for definitions of capitalized terms except for the following term used in this Resolution:

(a) “2017 Methodology Report” shall be the term used in this and subsequent Resolutions to refer to the Methodology Report, as defined in Resolution No. 2017-084, dated June 2017 and which included a July 2017 Addendum.

Section 3. Provision and Funding of Fire Services. That upon the imposition of Fire Rescue Assessments for fire services, facilities, or programs against Assessed Property located within the City, the City shall provide fire services to such Assessed Property. The remaining costs required to provide fire services, facilities, or programs shall be funded by lawfully available City revenues other than Fire Rescue Assessment proceeds. No EMS costs shall be funded by Fire Rescue Assessment proceeds. It is ascertained, determined, and declared by this Resolution that each parcel of Assessed Property located within the City will be benefited by the City's provision of fire services, facilities, or programs in an amount not less than the Fire Rescue Assessment imposed against such parcel, computed in the manner as set forth in this Preliminary Rate Resolution.

Section 4. Imposition and Collection of Fire Rescue Assessments. That Fire Rescue Assessments shall be imposed against all Assessed Property based on the Fire Assessment rates calculated in the 2017 Methodology Report, using the Fire Class Codes and Fire Basis data maintained by the BCPA for each Assessed Parcel. Fire Rescue Assessments shall be computed in the manner set forth in this Resolution, Resolution Nos. 2017-084 and 2017-105, and the 2017 Methodology Report. The rate consultant engaged by the City has determined that the rates as established in the 2017 Methodology Report are fair and reasonable to impose for Fiscal Year 2018-19 and that no changes to the previously approved not-to-exceed rates are needed. It is determined and declared that the Fire Rescue Assessments for Fiscal Year 2018-19 proposed in this Resolution, as may be adopted by a Final or Annual Resolution, shall be collected under the Uniform Assessment Collection Act.

Section 5. Legislative Determinations of Special Benefit and Fair Apportionment. Adoption of this Resolution constitutes a legislative determination that all parcels assessed derive a special benefit and that the assessed costs are apportioned fairly, consistent with the legislative declarations, determinations and findings as set forth in the Ordinance, the Initial Assessment Resolution, as amended, the Final Assessment Resolution, as amended, and Resolution Nos. 2017-084 and 2017-105. The legislative findings of special benefit and fair apportionment

approved in the Ordinance and all prior resolutions are ratified, confirmed and incorporated into this Resolution by this reference.

WHEREAS, the City Commission desires to impose an annual Solid Waste collection and disposal assessment program within the boundaries of the City of Dania Beach, using the property tax bill (the "Ad Valorem" tax bill) collection method for the Fiscal Year beginning on October 1, 2018;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF DANIA BEACH, FLORIDA:

Section 1. Authority. That this Resolution is adopted pursuant to the provisions of the Solid Waste Service Assessment Ordinance (Ordinance No. 09-96), the Initial Assessment Resolution (Resolution No. 64-96), the Resolution amending Resolution No. 64-96 (Resolution

That upon the imposition of Solid Waste Service Assessments for Solid Waste collection and disposal against Assessed Property located within the boundaries of the City of Dania Beach, the City shall provide Solid Waste collection and disposal services to such Assessed Property.

It is ascertained, determined, and declared that each parcel of Assessed Property located within the City of Dania Beach will be benefited by the City's provision of Solid Waste collection and disposal services in an amount not less than the Solid Waste Service Assessment imposed against such parcel, computed in the manner set forth in this Preliminary Rate Resolution.

SOLID WASTE SERVICE ASSESSMENTS

Notice is given that the City Commission of the City of Dania Beach will conduct a public hearing to consider re-imposing Solid Waste Service Assessments for the Fiscal Year beginning October 1, 2018, against certain improved residential properties located within those incorporated areas of the City of Dania Beach.

The solid waste service assessments will be computed by multiplying the number of dwelling units on each parcel by the rate of assessment. The rate of assessment for the upcoming fiscal year shall be \$358.44. Unimproved properties, mobile home parks, apartments with four or more dwelling units, condominiums, or commercial properties are not subject to the solid waste service assessment.

Copies of the Solid Waste Service Assessment Ordinance (Ordinance No. 9-96), the Initial Assessment Resolution (Resolution No. 64-96), the Final Assessment Resolution (Resolution No. 71-96), the Preliminary Rate Resolution initiating the annual process of updating the Assessment Roll and re-imposing the Solid Waste Service Assessments, and the updated Assessment Roll for the upcoming fiscal year are available for inspection at the City Clerk's office.

If you have any questions, please contact the City's Department of Finance at (954) 924-6800 Ext. 3620, Monday through Friday between 9:00 a.m. and 4:00 p.m.

The above special assessments will be collected on the ad valorem tax bill (the "Property tax" bill) to be mailed in November 2018, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property, which may result in a loss of title (ownership) of one's real property. These special assessment programs proved to be successful last year in fairly and efficiently providing a much needed alternative funding and collection approach for these vital and essential services.

A PUBLIC HEARING WILL BE HELD AT 5:01 P.M. ON SEPTEMBER 12, 2018, IN THE CITY COMMISSION CHAMBER OF CITY HALL, 100 WEST DANIA BEACH BOULEVARD, DANIA BEACH, FLORIDA, FOR THE PURPOSE OF RECEIVING PUBLIC COMMENT ON ALL OF THE PROPOSED ASSESSMENTS. All affected property owners have a right to appear at the hearing, to speak at the hearing, and to file written objections with the City Commission within twenty (20) days of this notice. If a person decides to appeal any decision made by the City Commission with respect to any matter considered at the hearing, such

person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing special accommodation or an interpreter to participate in this proceeding should contact the City Clerk's office at (954) 924-6800 Ext. 3624, at least two (2) days prior to the date of the hearing.

STORMWATER SPECIAL ASSESSMENTS

Notice is given that the City Commission of the City of Dania Beach will conduct a public hearing to consider re-imposition of stormwater assessments for the provision of stormwater management services within the City of Dania Beach for the Fiscal Year beginning October 1, 2018.

The stormwater assessments are based on two components: the impervious area of the property and the percentage of impervious area as compared to the median single family home. Both variables are required to determine the appropriate amount of stormwater runoff generated by impervious surface on each parcel of property. Impervious surfaces include roof tops, patios, driveways, parking lots and similar areas. The City has determined that the median single-family residence in the City includes 1,720 square feet of impervious surface on a median lot size of 6,500 square feet, which is defined as one "equivalent residential unit" or "ERU" and has an impervious factor of 0.26. The annual stormwater assessment rate for the upcoming fiscal year will be \$40.00 for each ERU. Since verifying the impervious surface for each single-family residence in the City is a practical impossibility, all single-family residences have been assigned one ERU. Mobile homes on owner-occupied lots in mobile home parks have been assigned one-half ERU. All other properties have been calculated individually as follows:

- For condominiums, the total impervious area (TIA) is calculated for the condominium community, including parking and association property. The total area (TA) encompassed by the development is determined as follows:
$$((TIA/1720) \times (TIA/(0.26 \times TA)))/\text{number of units in complex};$$
- While vacant property has no impervious area, it may still contribute to the City's stormwater system, so the assessment is based on the total area (TA). As a result, vacant property assessments are calculated without the operating component as follows: $0.2 \times TA/6500$;
- For mobile home parks, the typical mobile home, driveway, pad and ancillary activities constitute 1300 square feet. Therefore the total impervious area (TIA) for mobile home parks was determined by multiplying the number of potential mobile homes by 1300. The formula is: $(1300 \times \text{Number of MHs}/1720) \times (TIA/(0.26 \times TA))$; and
- For all other property uses the total impervious area (TIA) is calculated for the property, including parking. The total area (TA) encompassed by the development is also calculated. The assessment is determined as follows: $(TIA/1720) \times (TIA/(0.26 \times TA))$.

A credit system has been developed for those properties that retain stormwater on site. The policy grants an eighty (80) percent credit to those properties. Properties that cannot benefit in any way from the City's stormwater program are granted 100 percent credits.

Copies of the Stormwater Utility Ordinance (Ordinance No. 13-96), the Initial Stormwater Assessment Resolution (Resolution No. 73-96), the Final Stormwater Assessment Resolution (Resolution No. 73-96, as amended by Resolution No. 103-96, and Resolution 116-96), the Preliminary Rate Resolution initiating the annual process of updating the Assessment Roll and re-imposing the Stormwater Assessments, the proposed amendments to the Stormwater Ordinance and the updated Stormwater Assessment Roll for the upcoming fiscal year are available for inspection at the City Clerk's office.

If you have any questions, please contact the City's Department of Finance at (954) 924-6800 Ext. 3620 between 9:00 a.m. and 4:00 p.m. The above special assessments will be collected on the ad valorem tax bill (the "Property tax" bill) to be mailed in November, 2018, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property, which may result in a loss of title (ownership) of one's real property. These special assessment programs proved to be successful last year in fairly and efficiently providing a much needed alternative funding and collection approach for these vital and essential services.

A PUBLIC HEARING WILL BE HELD AT 5:01 P.M. ON SEPTEMBER 12, 2018, IN THE CITY COMMISSION CHAMBER OF CITY HALL, 100 WEST DANIA BEACH BOULEVARD, DANIA BEACH, FLORIDA, FOR THE PURPOSE OF RECEIVING PUBLIC COMMENT ON ALL OF THE PROPOSED ASSESSMENTS. All affected property owners have a right to appear at the hearing, to speak at the hearing, and to file written objections with the City Commission within twenty (20) days of this notice. If a person decides to appeal any decision made by the City Commission with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing special accommodation or an interpreter to participate in this proceeding should contact the City Clerk's office at (954) 924-6800 Ext. 3624, at least two days prior to the date of the hearing.
