10. Discussion and Possible Action

10.1 Beach fishing ban or regulated hours - City Attorney Ansbro

City Attorney Ansbro noted there was a suggestion for a "no fishing" ban for the beach on the north of the pier, as there was a recent occurrence involving a fisherman carrying a gun while fishing, which is permitted by state law. He explained that the current City Code prohibits all fishing from the beach and fishing from the surf; however, the same section provides that such

activities are only prohibited between the hours of 9:00 a.m. and 6:00 p.m. The section needs to be revised to remove this conflict, and he requested direction from the Commission. He recommended surf fishing be eliminated between the hours of 9:00 a.m. and 6:00 p.m.

Discussion ensued.

Commissioner Salvino motioned to approve amending the Code to keep the current prohibition of surf fishing between the hours of 9:00 a.m. and 6:00 p.m.; seconded by Vice-Mayor Harris. The motion carried on a 3-2 voice vote, with Commissioners Brandimarte and Grace voting no.

10.2 The Dania Beach Mental Health and Substance Abuse Task Force - Mayor James

Mayor James read from the email included in the agenda packet, and addressed the need for a task force.

The Commission agreed to move forward with the task force.

Commissioner Grace asked the Finance Director to work on a 4% raise for the CRA Director.

Commissioner Grace asked about the auditor bid.

Nicki Satterfield, Director of Finance, gave an update on the status of the bid.

Vice-Mayor Harris questioned why, when on July 24, Commissioner Grace asked that the auditor RFP be done as soon as possible, it is still not done.

Director of Finance Satterfield responded there was a delay due to waiting for the Attorney General's opinion and explained the process necessary with the Audit Committee.

11.3 Commissioner Salvino

Commissioner Salvino spoke of the Florida League of Cities conference and welcomed Eric Brown.

11.4 Vice-Mayor Harris

Vice-Mayor Harris welcomed Eric Brown and spoke of the League of Cities conference held last week.

Vice-Mayor Harris questioned the status of the Class and Compensation study.

City Manager Baldwin responded we are awaiting results from the outside company, which will be brought to the Commission.

11.5 Mayor James

Mayor James asked about the repaving of the beach parking lot.

Brad Kaine, Director of Public Services, said it would cost well in excess of \$100,000 and would take 3-4 months to bid, unless bidding was waived.

The Commission consensus was to move forward without bidding, through quotes or piggyback.

Mayor James spoke of an ex-offenders program she discussed with County Administrator Bertha Henry.

Mayor James said she has an issue about some of the morale in our departments; it is unacceptable that some of our department heads are bullying or threatening our employees, or using the Commissioners' names to do so.

Commissioner Grace asked if there is a mechanism through the City Manager to deal with this issue.

Commissioner Brandimarte said the union is the way, and we should not distinguish between regular employees and department heads.
