12. FIRST READING ORDINANCES

12.1 ORDINANCE NO. 2025-____

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF DANIA BEACH, FLORIDA, PURSUANT TO THE REQUIREMENTS OF SECTION 655-40 OF THE LAND DEVELOPMENT CODE (LDC) APPROVING THE RIGHT-OF-WAY VACATION REQUEST (VC-018-25) SUBMITTED BY THE APPLICANTS/ADJACENT PROPERTY OWNERS, TAMMIE AND ELLIS JAMES, FOR THE PROPERTY GENERALLY LOCATED BETWEEN NW 2 PLACE AND NW 12 AVENUE, RESPECTIVELY, WHICH CONSISTS OF APPROXIMATELY 100 BY 70 FEET OF NW 12TH AVENUE, LYING EAST OF THE APPLICANTS’ PROPERTY LOCATED AT 255 NW 12TH AVENUE WHICH RIGHT OF WAY IS GENERALLY DESCRIBED AS “NORTHWEST 12TH AVENUE,” AND IS LOCATED WITHIN THE CITY OF DANIA BEACH, FLORIDA; PROVIDING FOR

CONFLICTS; PROVIDING FOR SEVERABILITY; FURTHER, PROVIDING FOR AN EFFECTIVE DATE. (*Community Development*)

City Attorney Boutsis read the title of the resolution into the record.

Deputy Director of Community Development, Corinne Lajoie introduced the item.

Applicant Tammie James of 255 NW Tamara James Avenue spoke on the item. She expressed serious concerns about ongoing criminal and unsafe activities occurring near her home. She described frequent issues with homelessness, stolen vehicles, and a car being set on fire. Individuals have been sleeping in her yard and engaging in inappropriate behavior and leaving hazardous waste.

Ms. James emphasized growing fears for her family's safety, particularly for her young grandson, and stated that these incidents are happening increasingly closer to her home. She noted that some individuals appear to be under the influence of substances and can be unpredictable, which adds to the danger.

Her main request to the Commission is to approve and support the right-of-way vacation access to enhance safety and security for her household. She thanked the Commission for listening to her concerns.

Commissioner Ryan asked if the item passes, is she planning to fence it off and Mrs. James said yes, she plans to secure the area.

Mayor Davis asked if Ms. James has had the opportunity to sit down with BSO to set up a plan for the safety of the neighborhood. Ms. James responded that she has not had an opportunity, but she would be willing to.

Mayor Davis called up Michelle Wilcox to speak on the item.

Michelle Wilcox, representative of St. Ruth Missionary Baptist Church addressed the Commission in her capacity as church clerk and a member of the church's Board of Trustees. She clarified her fiduciary duty to oversee and protect the church's assets, including property interests.

She stated that although she is not a resident of the city, she explained her intent to speak on behalf of the church regarding an agenda item potentially affecting church property. She noted that a formal letter had been submitted to the city requesting a deferral of action on the matter.

She explained that the church is requesting a deferment due to receiving late notice of the Planning and Zoning meeting, which prevented them from submitting the required notarized response. Efforts to obtain legal counsel were delayed due to conflicts of interest with attorneys already representing the city, and a waiver from the city attorney was, understandably, not granted. Although independent counsel has since been secured, the church is still in the process of evaluating the potential impact on its property and is requesting additional time before any further action is taken.

Mayor Davis asked if there was interest from the Commission in continuing the matter 30 days.

Commissioner Rimoli asked if the request is to defer the first reading to the October 14th meeting and City Attorney Boutsis confirmed.

Mayor Davis said the City's first priority is safety and therefore she is in favor of postponing for 30 days to allow both parties to do their due diligence and have the proper preparation time they need.

Commissioner Lewellen said she was also in favor of deferring the first reading to the October 14th meeting and second reading being on the October 28th agenda which she believes would be beneficial and give the church time to retain counsel and Ms. James to speak with BSO to address the concerns that will still take place in the meantime.

Vice Mayor Salvino asked how long the property has been vacant and Mrs. Wilcox said it has been vacant close to 40 years. Vice Mayor Salvino expressed objections to the sudden progression of the project and questioned whether the church would have the resources to support both development and potential legal challenges. He emphasized the need for a clear, detailed plan justifying the requested egress, rather than general concerns about property value.

Mayor Davis opened the floor to public comments and the following spoke:

- Angeline Flowers – 6193 Osprey Terrace, Coconut Creek
- Benita McKnight – 1360 N.W. 2nd Terrace
- Rickie Young – 225 NW 7th Ave
- Tammie Ingram – 221 NW 4th Ave
- Pastor Michael Anderson – 2254 Douglas Street
- Daphne Henry – 1201 NW 2nd Street

Public comments were closed.

Vice Mayor Salvino made a motion to pass 12.1 on first reading but to continue 2nd reading to the October 28, 2025 Commission meeting. The motion was seconded by Commissioner Rimoli.

Mayor Davis feels that the item is rushed and that St. Ruth's should have additional time. She stated that we are all neighbors, and she would not want this to be something to divide the community.

Discussion ensued regarding how to move forward with the item.

Vice Mayor Salvino withdrew his motion.

Commissioner Lewellen made a motion to continue this item to the October 14, 2025 Commission meeting. The motion was seconded by Mayor Davis which failed 3-2 with Vice Mayor Salvino, Commissioner Rimoli and Commissioner Ryan voting no and Commissioner Lewellen and Mayor Davis voting yes.

Vice Mayor Salvino made a motion to pass 12.1 on first reading but to continue 2nd reading to the October 28, 2025 Commission meeting. The motion was seconded by Commissioner Ryan.

Commissioner Ryan stated that the issue at hand is strictly the vacation of a right-of-way and not broader concerns such as safety or future development. He noted that the applicant fulfilled all legal and procedural requirements, including those outlined in Section 655 of the Land Development Code, and received approval from the Planning and Zoning Board. He also pointed out that the Dania development, which would be most impacted, had no objections. He expressed support for the request and that is the reason he seconded the motion.

The motion passed 3-2 on roll call vote with Vice Mayor Salvino, Commissioner Rimoli and Commissioner Ryan voting yes and Commissioner Lewellen and Mayor Davis voting no.

City Attorney Boutsis clarified that item 11.1 which coincides with this item will also be heard with this item upon second reading on October 28, 2025 per the motion and vote that was taken with that item.
